Summer is coming! Why not learn some new flips?

It is a fact that numerous members of the area cheer squads as well as cheerleaders from other gyms come to Bozhi's Gym Nest to learn or improve their tumbling skills. During our camps you will have all of our great and experienced coaches together working with your child to improve their current skills and to learn many new skills. We take pride in having the areas most knowledgeable coaches all under the same roof. Be sure and get registered now, after all, what better way to provide your child with a few days of fun and learning during the hot summer days. **Note:** The Gym Nest is an air conditioned facility.
